DOCKET NO. 93-176-C - ORDER NO. 94-2 /

JANUARY 3, 1994

IN RE: Application of Southern Bell Telephone & Telegraph Company for Revisions to its General Subscriber Service Tariff and Private Line Service Tariff to Introduce Area Plus Service.) ORDER
) GRANTING
) MOTION TO
) RESCHEDULE
) HEARING AND
) TESTIMONY
) FILING DATES

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of LDDS of Carolina, Inc. (LDDS), MCI Telecommunications Corporation (MCI), and AT&T Communications of the Southern States, Inc. (AT&T) to reschedule the hearing and testimony filing dates in this matter. These Companies state that they have been unable to schedule several depositions which were previously approved by the Commission. Further, the Companies note that the Commission has under consideration a request by the Companies to take depositions of other persons who will not be available until very late 1993, or early 1994. Therefore, the Companies believe that the taking of any depositions in late 1993 allows virtually no time to thereafter prepare testimony, as the testimony filing date is presently scheduled. Because of these scheduling difficulties, the Companies have moved that the hearing and testimony filing dates be extended in this Docket.

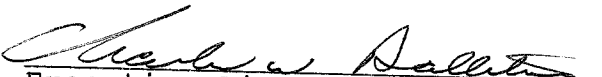

The Commission has examined this matter and believes the the Companies state good cause for the rescheduling of the hearing and the testimony filing dates already set in this matter. The Commission believes that these dates should be extended to such dates as shall be indicated by Staff.

IT IS SO ORDERED.
